THE RAISON D'ETRE OF A
BOARD OF TRADE

As the Editor of the Bassano News:
That a board of trade has been
established in Bassano is an irrefut-
able fact. That a board of trade ex-
ists at the present time is ques-
tionable. Have we heard of any
being taken by the town? Have we
heard of the interests of the town?
C. P. H. have made this place
divisional point for freight and
re built a round house and
engine shop in our town, which
has been the most important
between Calgary and Medi-
a Hat. Did the board of trade
do this throughout the world?
Canadian Pacific Irrigation
organization Company have made
near their head quarters out-
of Calgary and are spending a
sum of money for
the interests of the town?

JUST KEEP A PLOWING ON.

If the day looks kinder gloomy,
And your chances kinder slim;
If the situation's passin',
And the prospect's afigl grim;
And perdition keep pressin'
You and hope is nearly gone,
Just brace up and give your teeth
And keep a plowing on.
Fading never wins a fight,
There ain't no good in leadin' in
Those pessimistic ways,
Stifle just kinder cheerfully,
What hope is in your gaze,
Just brace up and give your teeth,
And keep a plowing on.
There ain't no use in growlin',
And grumblin' all the time,
What's the use of that anyway,
And everything, a rhyme:
Just keep a smiling cheerfully,
If hope is nearly gone,
Just brace up and give your teeth,
And keep a plowing on.
